About Activist San Diego Board Membership

A nine **all-volunteer** board, members are not paid, compensated or reimbursed. The size of the Board can be changed by a vote of the Board, as long as that size is an odd number, greater than seven. Any candidates interested in joining the Activist San Diego Board of Directors should download application at www.ActivistSanDiego.org (Get Involved). In September, an election by our dues-paid activist-members determine our board member(s). The current board members have the right to interview and promote (endorse) on behalf of Activist San Diego activist members.

Mission Statement

"Activist San Diego is an information, communications and mobilization organization networking for social justice. Through the Activist Center, the Internet, media and educational programs, ASD links volunteers with community organizations and facilitates the growth of grassroots efforts to grow a progressive movement for social change."

Requirements

Must be 18 or older. Formal education is desired but not required, in lieu of experience and knowledge. Transportation independence is essential, although no fuel or fare reimbursed. Applicants are subject to a criminal and civil background investigation. The Board will schedule an informal interview. Applicants will have a brief opportunity to promote oneself before our activist members, in person or on zoom. A history of active membership and participation is a great plus.

Board members are required a minimum of ten hours a month dedication in time, energy and commitment – to include two mandatory monthly meetings: our CommUnity Summit on the 3rd Monday of each month, from 5pm - 8pm and our Monthly Board Meeting, scheduled by the Board. In addition, with sufficient notice and available time, we desire attendance of invitational public demonstrations, rallies, protests, speech forums, marches, outreach events, activist-group meetings and impromptu gatherings. The board highly encourages priority scheduling, when possible. Discover and familiarize yourself with www.ActivistSanDiego.org and <https://www.knsj.org/>. Equally important, ASD emphasis fun and comradery. After all, we are volunteers – greatly appreciated, your time and commitment, one of our most valuable resources.
